# What's Next?

- A new chapter is opening for Open Research Webinars in 2024:
  - Eclipse Research will launch a new series: Each episode will feature **one Research Project** in which the foundation is involved and **one related Eclipse Open Source Project**. This initiative aims to encourage collaboration between researchers and well established open source projects.
  - OW2 will open soon a new Webinar Series dedicated to promote new projects from the OW2 code base and open source innovations EU funding by the NGI (Next Generation Internet) projects. Register to the OW2 Newsletter to stay informed:
