What’s Next?

- A new chapter is opening for Open Research Webinars in 2024:
  - Eclipse Research will launch a new series: Each episode will feature **one Research Project** in which the foundation is involved and **one related Eclipse Open Source Project**. This initiative aims to encourage collaboration between researchers and well established open source projects.
  - OW2 will open soon a new Webinar Series dedicated to promote new projects from the OW2 code base and open source innovations EU funding by the NGI (Next Generation Internet) projects.
